

# Roadrunner United - The End Complete

{Spoken Word Intro}

Let's go

Yes

{Intro}

You will soon come with me to die

And find that death is not the end

Who I say, who will, who won't be freed

Tell me that this is not the end complete

{Instrumental Break}

{Guitar Solo}

{Verse}

Even as the end's complete

Finding strength in one's defeat

Living in an endless score

Killing me with battled sores

{Chorus}

I'm the one that's sent to kill

Feeling all destructive will

Bring forth one dead soul decay

The end completes the final day (Day)

{Guitar Solo}

{Chorus}

When the time has come to bare

Dying young fall to despair

To bring forth one dead soul decay

**The end completes the final day (Day)**

**{Guitar Solo / Instrumental Outro}**

**{Spoken Word Outro}**

**Look at me**

**Let's go some old school**

**I said let's go some fuckin' old school, huh?**

**What we got out here?**

**Put your hands up, let me see 'em**

**Let's get started with a little bit of The King, huh?**

**The real king, the real king**

**This might've been the start of, uh, of the whole thing, right?**

**Yeah, huh?**

**That's about the start of the whole, whole wave of it there**

**{?}**
