

## **Sewerperson - Brrp brrp**

**{Chorus}**

**Catch 'em with the dial tone**

**I got Barry on the microphone**

**She said take me out so I just took that bitch to milestones**

**Coupe with candy chrome, {?}**

**Why my DNA no chromosome?**

**{Verse}**

**Whoa, hol' up wait**

**Wasn't aware this was a date**

**If you told me that before I woulda' tried to show it straight**

**Smoking, now I'm late**

**Driving by the crate**

**Catch me quick and then she told me she could taste the juicy J**

**Yeah, it's great, yeah, no**

**That's just how it go**

**I just made my shit home**

**I don't want to play a show**

**Fuck out my face, new Ballenci's, they don't lace**

**Got a Fendi for a waist**

**Make a move and get you maced**

**{Verse 2}**

**And I took time off**

**Treasure at my heels, people asking "What's the deal?"**

**I told 'em "Keep the lights off"**

**I don't wanna see the future, scarin' me**

**I smoke so much cheese that I could barely breathe**

**I threw up so much that I could barely eat**

**Apples don't fall far from the apple tree**

**I just rolled a blunt inside of Applebee's**

**{Chorus}**

**Catch 'em with the dial tone**

**I got Barry on the microphone**

**She said take me out so I just took that bitch to milestones**

**Coupe with candy chrome, {?}**
