Show me the truth through dem smiling faces

Leeches and vampires in our races

Sitting and chant up in high places

Feeding you with their sweet lies

{Pre-Chorus}

Mi nuh trust people, friends I don't keep them

Family I don't see they bÐµlieve me

OnÐµ time fi feel fi cry how friends treat me

Mi left it all to Jah you know

They say touch not the anointed, and you shall not be â€™ah hurt

As the Most High, He watch over me

We keep them far

{Chorus}

Dem cyan stay (none of them cyan stay) oh-no-ou oh-no-ou oh-ou-oh
