

## 76th Street - Girl

{Verse 1}

I think that I just got more gay  
There's something 'bout the way  
I want her tattooed arms around my waist  
She doesn't know my name  
Sees me looking over at her  
That's when I say  
I planned on staying in tonight  
I don't know when I changed my mind  
I lost my friends back at the bar  
I'll talk to you, if that's all right

{Pre-Chorus}

I like the way you look at me  
I don't know what's come over me  
It's like the whole world disappeared  
And now I'm thinking we should

{Chorus}

Dance to Muna  
If ya wanna  
If ya wanna  
Kiss me before you leave  
If ya wanna be  
We'll fall in love to Brandi's  
"You and Me on the Rock"  
TakĐµ off, put on some Mary  
If you want to be my girl

{Verse 2}

I'll make a fool out of mysĐµlf  
Won't hold on to my pride

I want you and no-no-nobody else  
And then I lost my mind  
You put your body against mine  
Your words like wine

{Pre-Chorus}

I like the way you look at me  
I don't know what's come over me  
It's like the whole world disappeared  
And now I'm thinking we should

{Chorus}

Dance to Muna  
If ya wanna  
If ya wanna  
Kiss me before you leave  
If ya wanna be  
We'll fall in love to Brandi's  
"You and Me on the Rock"  
Take off, put on some Mary  
And listen to the Indigo Girls  
If wanna be my girl  
If wanna be  
If wanna  
If wanna be my girl

{Bridge}

Oh my God  
Drive me wild  
You drive me wild  
Dancing on into exile  
You drive me wild  
You drive me wild  
You drive me wild

**Oh my God, you drive me wild**

**Wanna be my girl**

**{Chorus}**

**Dance to Muna**

**If ya wanna**

**If ya wanna**

**Kiss me before you leave**

**If ya wanna be**

**We'll fall in love to Brandi's**

**"You and Me on the Rock"**

**Take off, put on some Mary**

**And listen to the Indigo Girls**

**If wanna be my girl**

**If wanna be**

**If wanna**

**If wanna be my girl**

**If wanna be my girl**

**If wanna be**

**If wanna**

**If wanna be my girl**
