

Gee Threee - Ace of Heartz!

{Chorus}

Bound to go insane, what? (bound to go insane)

She said that I'm the one to blame, woah (I'm the one to blame)

Don't wanna stay another day (no no no)

So we jus' sit and watch it fade away (watch it burn baby)

Hey, wo-o-oah

I'm wit' you (I'm wit' you)

We're starin' at the sky it's baby blue (sky it's baby blue)

(Jus' you and me, against the world)

So go and tell me lies, lies, lies, lies, lies, lies, lies, lies, lies, lies

{Refrain}

Now you say that I'm the one to change, no (I'm the one to change)

It's me and you but I don' feel the same, woah (woah)

But now you say that I'm the one to blame (I'm the one to blame)

I know you can feel the pain (you can feel the pain)

I swear I'ma go insane (woah woah)

{Alternative-Chorus}

You know we bound to go insane, what? (bound to go insane)

She said that I'm the one to blame, woah (I'm the one to blame)

Don't wanna stay another day (no no no)

So we jus' sit and watch it fade away (watch it burn baby)

Hey, wo-o-oah

I'm wit' you (I'm wit' you)

We're starin' at the sky it's baby blue (sky it's baby blue)

(Jus' you and me, against the world)

So go and tell me lies and say it's true (why you lie to me?)
