

Layzi - Summer '17

{Verse 1}

{?}

But I'll love you and never change

There's no one quite like you

And no, nobody else will feel the same as you

There's nothing that I can do

If I don't take up space

In your mind

{Chorus}

Like I used to

Like I used to

{Verse 2}

I never wanted it to end

{?} was over before it even began

{?} change myself for anybody else

{?} never look at anybody else

{Chorus}

Like I used to

Like I used to
