

John Carcer - 2 guys 1 hammer

Break me down

Or fake me out

I can break your walls

Or I can swing up I'm breaking your jaw

That's a threat boy

Not so nice boy

When you lock me up

It's seven days to die boy

You can speak

I'm opening your mouth

Spit out a tooth

That's a shit move

When I'm bashing your head with a hammer

That's one out of two

I got for you

That leaves you legless

Kneecaps

They gone bye bye u can say night night

Yawn too wide

I can ram this down your throat

And pop out your eyes

Not to nice

I must say

Have a nice day

Break me down

Or fake me out

I can break your walls

Or I can swing up I'm breaking your jaw

That's a threat boy

Not so nice boy
