

Panama - GReeeN

{Intro}

(Oh, oh, oh)

{Chorus}

Since I saw you

Nothing is as it was

You are art, my mandala

I'm in love, to the max, more isn't possible

{Verse 1}

I think of you, and that all the time

I burn for you, that goes without saying

Yes, the world with you is infinite

Yes, I know you inside out

'Cause you're {my} home and I know that

I love you and will soon marry you

Hold your hand, even in the delivery room

The two of us were inevitable

{Pre-Chorus}

We're fluttering right now (Fluttering right now)

Together towards Panama (Panama)

620 MPH

While eating baklava

{Chorus}

Since I saw you

Nothing is as it was

You are art, my mandala

I'm in love, to the max, more isn't possible

Since I saw you

Nothing is as it was
You are art, my mandala
I'm in love, to the max, more isn't possible
{Verse 2}

How can one look so perfect?
Aura shines as if the sun were rising
Come on, let's go out, life is waiting
Chardonnay and edamame
Want to go on an island with you, babe
And discover every nook and cranny with you
You're the paint and I'm the brush
Come on, let's paint life simple

{Pre-Chorus}
We're fluttering right now (Fluttering right now)
Together towards Panama (Panama)
620 MPH
While eating baklava

{Chorus}
Since I saw you
Nothing is as it was
You are art, my mandala
I'm in love, to the max, more isn't possible
Since I saw you
Nothing is as it was
You are art, my mandala
I'm in love, to the max, more isn't possible

{Bridge}
We're fluttering right now
Panama (Fluttering right now)
620 MPH
The water clear

{Chorus}

Since I saw you

Nothing is as it was

You are art, my mandala

I'm in love, to the max, more isn't possible

Since I saw you

Nothing is as it was

You are art, my mandala

I'm in love, to the max, more isn't possible

{Outro}

We're fluttering right now

Towards Panama

620 MPH

The water clear
