Bitch foggin up my room like is silent 3

Bitch took some laced shrooms and lost my money

\$400 bucks gone now i can't even eat

{Marvenk & R3YE5}

Yeah, thinking bout my life while throwing rocks at the sea

Tryanna pause my life like mf referee

And we going bar for bar, bitch call me central cee

Got the V to myself feeling like I'm VIP

Bitch I love your nails will paint them green just for me

She asked me if she look fat, told that bitch I disagree

Hoe askin down to fuck hell nah not for free

Now she tryanna fuck the whole fucking family tree

**Bitch wanna fuck all day all night bitch im not trynna fuck cause that puss
y too tight**

I was smoking and I didn't take it light

Need something spicy like McDonald's sprite

In thĐµ old days we was playing smite
