**I'm gon light up like a motha fucking screen
I'm playing 2k and I got green machine
Taking flicks of my homie like paparazzi
It's getting hard to breath feel like I'm in submarine
I always smell good I got good hygiene
Bitch don't understand me, is you fucking 15?**

{R3YE5}

**Bitches actin 30 like nah hoe u is nifty

Always want a foot job but the hoes is always busy**
