**Bitch im high off my mutha fuckin life
Rollin up smokin loud feeling so right
In da club poppin pills we takin flight
Bitches ain't honest we outta sight
Bitch talking shit we dont give a fuck
Party all night like we don't need to decide
Mix drugs till we reach the top
Livin fast no regrets ain't no flop**

{MarvenK}

**Shark slides better, ain't no croc
Chiefin that pen at 3 o'clock
I hope my type is still in stock
In the ocean, where i throw my rocks**

**I feel dead as fuck, i feel like pac
I cleaned my cavities at the doc
Never tried a chop cheese gotta go to the oc
In this life i will never stop**

**Got that white got them shrooms we goin out the worst way
Fuck a cliché we trippin out on a thursday
Hot girl summer bitches hotter on a workday
Pop a pill sippin lean goin down the first lane
Trippin on shrooms, chillin in the clouds
Eyes seeing triangles got me in a frown
Lookin like dem jahobos chillin downtown**

Smokin up silent hill bitch turn around

Smokin up silent bitch like my fog
