

The Burns Sisters - Who's Gonna Dance With Me

**I feel like I'm walking with a stranger
My work is getting me down
It's time to start getting crazy
It's time to rock this town**

**People acting like robots
I'm gonna make you move
You can't stop the rhythm
Put your body in the heart of the groove**

**Who, who, who's gonna dance with me?
Who's gonna dance with me?
Who, who, who's gonna dance with me?**

**Joe Cool over in the corner
He's got his feet dragging on the ground
Looking my way for some action
You know he'll only slow me down**

**I'm not looking for a romance
Oh no, not tonight
Can't you see I'm here to dance?
Don't care what's polite**

**Who, who, who's gonna dance with me?
Who's gonna dance with me?
Who, who, who's gonna dance with me?
So, Mr. Bass Man, keep on pounding that sound
You've got my number, and I'm sticking around**

Dance with me

Come on and dance with me

Come on and dance with me

Dance with me

Come on and dance with me

Come on and dance with me

Who's gonna dance with me?

I wanna dance, I wanna dance

Who's gonna dance with me?

Who's gonna dance with me?

People acting like robots

I'm gonna make you move

You can't stop the rhythm

Put your body in the heart of the groove

Who, who, who's gonna dance with me?

Who's gonna dance with me?

Who, who, who's gonna dance with me?

Who's gonna dance with me?

Who's gonna dance with...
