

Ninajirachi & Kota Banks - Ice u out

We could use some time

Yeah, i wanna be here, i wanna be here

I make the rest of them my enemies, yeah, yeah

I don't give away my power

Now you want it back, can't have it, nah-ah

I leave you on read for hours

Yeah, it's true

Yeah

I wanna be with you

So i'm gonna ice you out

Never gonna say it's true, but

I'll just show you how i do

I wanna be with you

So i'm gonna ice you out

Need you way up in the clouds

Find a way to love me when i'm not around

Got that water in my eyĐµ, eye, eyĐµ

Call my number and i hit decline, hit decline

Want you missing me, out your mind (out your, out your mind)

Ice, ice, ice, ice, ice, ice you out

Said

Hurt so bad

Say like that

Get you back

That's how i do

Hurt so bad

Say like that

Nah, nah, nah, i do

I don't give away my power

Now you want it back, can't have it, nah-ah

I leave you on read for hours

Yeah, it's true

Yeah

I wanna be with you

So i'm gonna ice you out

Never gonna say it's true, but

I'll just show you how i do

I wanna be with you

So i'm gonna ice you out

Need you way up in the clouds

Find a way to love me when i'm not around

Got that water in my eye, eye, eye

Call my number and i hit decline, hit decline

Want you missing me, out your mind (out your, out your mind)

Ice you out

I wanna be with you, i wanna be with you

I wanna, i wanna be with you

I wanna be with you

I wanna, i wanna be with you

I wanna be with you

I wanna, i wanna be with you

I wanna, i wanna, i wanna, i wanna
