

Fox the Fox - Let the Birds Fly

Everyone has got the chance
To let the birds of love come through
Open up your heart and let
The lovebird sit on you

If love is what you want
Love is what you get

You can be successful in
The work you really like to do
You just got to make your third
Lucky bird come to you

If luck is what you seek
Don't be scared to freak

Let the birds come though
Make them sing for you

Let the birds fly
Let the birds fly
Let the birds fly

Keep the summer in your eyes
And Nightingales will sing for you
Once you know their tune by heart
The scarecrow will be scared by you
If joy is what you spread
Joy is what you get

Let the birds come though

Make them sing for you

Let the birds fly

Let the birds fly

Let the birds fly

Let the birds fly

Search the sky

Way up high

Catch the bird

When it flies

Let the birds come though

Make them sing for you

Let the birds fly

Let the birds fly

Let the birds fly

Let the birds fly

Let the birds fly

Let the birds fly

Let the birds fly

Let the birds fly
