

XOOOS - omw

{ĩĩŠ¤ "omw" ê°€ì,-}

{verse 1}

Baby

I've been learning all the things

You showed me lately

There and here

ĩš°ë!° flying up and down

That's how you get me

êµ-ë¶,,ì° ì°ê°€ if it's real

{pre-chorus}

Do as how you always are

ë³¼ĩĩë§œ ìž°ì°œ ë•ì-´, uh

Ooh, since everything i showed you

Is nothing at all

{chorus}

I'll do it again

I'll do it again

I'm on my way

I found my way so

Believe what i say

Believe what i mean

'cause when i'm with you, i'm with you

I can't help but to prove i'm just for you

{verse 2}

Baby

ë§°ì°œì°´ë¼ëš°ê²œ ê°™ì°œ±,ì§€ ëª°ë¼

And i can't just save it, no

So maybe

If we're both free of plans, i'd say it's time to meet

ìœê°,,ë§œ í•ëÿ-ê°€ , oh

{pre-chorus}

Do as how you always are

ë³¼ì~ë§œ ìžî•œ ë•ì-´ , uh

Ooh, since everything i showed you is nothing at all

{chorus}

I'll do it again

I'll do it again

I'm on my way

I found my way so

Believe what i say

Believe what i mean

'cause when i'm with you, i'm with you

I can't help but to prove i'm just for you

{bridge}

And i feel sad

ë,,• ë- ì-ë ¢

And i can't do

You're the only one

I'm in need of

ì•,ë§^ , ooh

Baby, you

{chorus}

I'll do it again

I'll do it again

I'm on my way

I found my way so

Believe what i say

Believe what i mean

'cause when i'm with you, i'm with you
I can't help but to prove i'm just for you
I'll do it again
I'll do it again
I'm on my way
I found my way so
Believe what i say
Believe what i mean
'cause when i'm with you, i'm with you
I can't help but to prove i'm just for you
