

## JCGRAFTON - U up rn?

{chorus: singer}

You took what you need from me  
You know how to make me bleed  
Thin lines and no calls from you  
But you always show up on queue  
And i'm always lost when it comes to you  
And i'll end up not good enough for you  
Faking smiles for you  
You know i'd die for you

Faking smiles for you

You know i'd die for you
