

## **Ninajirachi & Kota Banks - Kota on the plane**

**Baby, take my heart and keep it  
I don't want your love, i need it  
Hundred on the highway, speeding  
On the 305, i'll see you soon  
In your arms, i'll stay there  
Gave your charm, i ate it up  
You radiant, my faded love, an alien**
