

Roadrunner United - Curse of the Pharaohs

{Verse 1}

Way out in Egypt in the Valley of Kings

Where the mummified pharaohs

Pretend deep in their sleep, yeah

{Chorus}

Don't touch, never ever steal

Unless you're in for the kill

Or you'll be hit by the Curse of the Pharaoh

Yes, you'll be hit and the Curse is on you

{Guitar Solo}

{Verse 2}

Now, if you're breakin' the seals and disturbing the peace

Then you're starting up a Curse

Bringing evil disease, yeah

{Chorus}

Don't touch, never ever steal

Unless you're in for the kill

Or you'll be hit by the Curse of the Pharaoh

Yes, you'll be hit and the Curse is on you

{Guitar Solo}

{Instrumental Break}

{Verse 3}

The Curse of the Pharaoh can be so deadly

Or just destroying your future

Making it all shady, yeah

{Chorus}

So don't touch, never ever steal

Unless you're in for the kill

In for the kill, kill

Or you'll be hit by the Curse of the Pharaoh

Yes, you'll be hit and the Curse is on you
