

# **Lil Purple - Memories**

## **Chorus:**

**Bitch I'm reminiscing  
Sippin' on the pain  
Your touch is addictive  
Like candy cocaine  
And I can't resist it  
It's driving me insane  
Lost in your love  
Like a runaway train**

## **Verse:**

**Haunted by the nights  
We used to share  
Your lips on mine  
Like a breath of fresh air  
Now I'm suffocating  
Drowning in despair  
I'm running on empty  
It's just not fair  
Tell me why we had  
To end like this?  
Was it all a game?  
Just a hit and miss?  
And I can't forget  
The taste of your kiss  
But now you're gone  
And I reminisce...  
This is fucked up, messed up  
I'm drowning my sorrows  
In this double cup  
Tryin' to numb the ache**

Cause my heart's break  
But the memories keep  
Coming back

And it won't break

Chorus:

Bitch I'm reminiscing  
Sippin' on the pain  
Your touch is addictive  
Like candy cocaine  
And I can't resist it  
It's driving me insane  
Lost in your love  
Like a runaway train

Bridge:

I'm surrounded by people  
But I'm all alone  
I'm missin' the warmth  
Of your love, that's known  
I'm runnin' in circles  
Stuck in this zone  
In this fast paced world  
My heart turned to stone

Chorus:

Bitch I'm reminiscing  
Sippin' on the pain  
Your touch is addictive  
Like candy cocaine  
And I can't resist it  
It's driving me insane  
Lost in your love  
Like a runaway train

**Outro:**

**Tell me why we had**

**To end like this?**

**Was it all a game?**

**Just a hit and miss?**

**And I can't forget**

**The taste of your kiss**

**But now you're gone**

**And I reminisce...**
