

William Caesar & Claire Caesar - River

{Verse 1: Claire Caesar}

**I wish you knew how much I love you & I will forever
You've been pushing me away, I hope you get better
I see you as an opportunity, not just a brother
Use my tears as a mirror, look into the river**

{Pre-Chorus 1: Claire Caesar}

**Take my hand from above
You won't accept my love
You're more than enough
Tears blend into the river too much**

{Chorus 1: Claire Caesar}

**Look into the river & see your reflection
And know I'll be looking back
I love you, my sweet brother
But you won't see that**

{Verse 2: William Caesar}

**Truth is nothing but a concept, not meant for my soul
I won't allow myself to talk if it makes you cold
Waterfalls on the cheek of the victims brother
I never knew that being sad could hurt another**

{Pre-Chorus 2: William Caesar}

**I'm sensitive to touch
I'm blind to your love
I am not enough
Tears blend into the river too much**

{Chorus 2: William Caesar}

Look into the river & see your reflection

But know I won't be looking back

I love you, my sweet sister

But I won't see that

{Bridge: William Caesar & Claire Caesar}

Look into my eyes

Say that you're enough

It's okay if you cry

Don't let it blend too much

Look into my soul

Let love wash over you

Drink up till you're whole

The river reflects truth

{Chorus 3: William Caesar & Claire Caesar}

Look into the river & see your reflection

And know we'll both look back

I love you, my sweet sibling

Could you now see that?
