

# Poi Dog Pondering - Platetectonic

{Intro}

Higher and higher

Higher and higher

Higher and higher

{Verse 1}

Feeling exhilaration

Outstanding on the hydroplane

Mainlining adulation

I'm naked as a jaybird and I got nothing on

{Chorus}

Dig down deep, hold me higher and higher

We can turn heat and rock into star power

We can turn heat and rock into star power

We can turn heat and rock into star power

We can turn heat and rock into star power

Feels alright, feels alright

Feels alright, feels alright

Dig down deep, hold me higher and higher

We can turn heat and rock into star power (Higher and higher)

{Verse 2}

Streams and streams of liquid white light will be flowing

When you open your eyes out (When you open your eyes out)

Yeah, liquid white light will be flowing just like verjus

When you open your mouth (When you open your mouth)

Oh, the moon comes out in spoonfuls when you're gouging out your eyes

And the saints come marching in (And the saints come marching in)

Oh, the night she has got power and she spends it by the hour

Cutting the head off of headlights (Cutting the head off of headlights)

**{Chorus}**

**Dig down deep, hold me higher and higher**

**We can turn heat and rock into star power (Higher and higher)**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright**

**Dig down deep, hold me higher and higher**

**We can turn heat and rock into star power (Higher and higher)**

**(Keep on crooning) Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright**

**Feels alright, feels alright (Higher and higher)**

**{Outro}**

**Higher and higher, higher and higher**

**Feels alright, feels alright**

**Higher and higher, higher, higher, higher, higher, higher, higher**

**Feels alright (Feels alright), feels alright (Feels alright)**

**Feels alright (Feels alright), feels alright (Feels alright)**

**Feels alright (Feels alright), feels alright (Feels alright)**

**Feels alright (Feels alright), feels alright (Feels alright)**

**Feels alright, feels alright**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright**

**Feels alright, feels alright (Higher and higher)**

**Feels alright, feels alright**

**Feels alright**
