

Poi Dog Pondering - Hard Sometimes

{Verse 1}

It ain't easy being you
Struggling every day, searching for the truth
I know it's hard sometimes trying to find a friend
Someone you can trust who will be there in the end

{Pre-Chorus}

But you must keep on keep on keeping on
And one day you'll find someone who will be kind
From that moment on all things will be made new
All the love you give will find its way to you

{Chorus}

I know it's hard sometimes
(Yeah, so hard)
Oh, I know it's hard sometimes
(So hard, so, so hard)

{Verse 2}

It ain't easy being you
Feeling how you feel, searching for the truth
I know it's hard sometimes trying to be for real
Someone you trust who understands just how you feel

{Pre-Chorus}

But you must keep on keep on keeping on
And one day you'll find someone who will be kind
From that moment on all things will be made new
All the love you give will find its way to you

{Chorus}

I know it's hard sometimes

(Yeah, so hard)

Woah, I know it's hard sometimes

(So hard, so, so hard)

Yeah, I know it's hard sometimes

(Yeah, so hard)

Yeah, I know it's hard sometimes

{Instrumental Break}

{Chorus}

Woah, I know it's hard sometimes

(Yeah, so hard)

Hard sometimes

(So hard, so, so hard)

Woah, I know it's hard sometimes

(Yeah, so hard)

Hard sometimes

(So hard, so, so hard)

{Outro}

Hard sometimes

(Yeah, so hard)

Hard sometimes

(So hard, so, so hard)

Hard sometimes

(Yeah, so hard)

Hard sometimes

(So hard, so, so hard)
