

# **Citizens - Survival**

**Intro - 8 bars**

**Verse 1 - 8 bars**

**I see the world in your eyes  
Like a breaking symphony  
You're at the start of your life  
And I had this epiphany**

**Pre-Chorus - 8 bars**

**If you don't go, you won't know, you don't  
And waiting here only hurts, how'll you grow  
Failed a bit, fall in love, take it all  
You've got the world in your eyes  
So start, go break your heart**

**Chorus 1 - 8 bars**

**A river wasn't made to run, without a fall  
Go break your heart  
Let everything inside you feel, this miracle  
It's survival**

**Interlude - 4 bars**

**If you don't go, you won't know, you don't**

Is to live like you were meant to**
