Mister- Mr. Jeff Waters, here

{Instrumental Intro}

Evil laughter

{Verse 1}

Alice, isn't it frightening?

Alice, aren't you scared?

Alice, isn't it wonderful

Living life afraid?

Don't look around the corner

He might be lurking there

Under the bed at night

You're up till dawn again

{Chorus}

Allison Hell, your mind begins to fold

Allison Hell, aren't you growing cold?

Allison Hell, you are looking blue

Alice in Hell, what else can you do?

{Refrain}

(Allison)

{Verse 2}

I begin my rule, life hideous in your mind

Crying out, you've lost your doll

It isn't worth a dime

{Chorus}

**Allison Hell, your mind begins to fold
Allison Hell, aren't you growing cold?
Allison Hell, what are you looking for
Allison in Hell, soon, I close the door**

{Bridge}

**Sitting in the corner, you are naked and alone
No one listens to your fears, you've created me**

{Guitar Solo}

{Verse 3}

**Alice, isn't it frightening?
Alice, aren't you scared?
I was killed at birth
I shoot this final scene

Allison Hell, as I close the door
Allison Hell, here you shall dwell
Allison Hell, Alice dwells in Hell**
