

Benevolent Sin - /3

{Verse}

It's been

It's been eight long months since the breakup

Not enough has changed for me to feel okay

Sometimes I think I'm still in love with you

Sometimes I think I'm still in love with you

Fuck

It's been eight long months since the breakup

Not enough has changed for me to feel okay

Sometimes I think I'm still in love with you

I think I'm still in love with you
