

Roadrunner United - Dead by Dawn

{Instrumental Intro / Guitar Solo}

{Verse 1}

Book of the dead, pages bound in human flesh
Feasting the beast, from the blood the words were said
I am unseen, dreamt the sacred passage aloud
Trapped in a dream of the Necronomicon

Seven lords of an evil and fatal force
Levitate through the secret and ancient doors
Unbegun, premenating bizarre
Swept away to the castle of Cantar

{Verse 2}

Seeking the tomb, tried to possess
Immortal sleep, visions of death
Drank of the blood, water of life
Splendorous son, show me the sign
You are dead
Blanketing fear, unknown to man
Demons appear, death they command

{Chorus}

[illegible]

Dead by dawn

Dead by dawn

Dead by dawn

Dead by dawn

Dead by dawn

Dead by dawn

Dead by dawn

Dead by dawn

{Bridge}

Blasphemate me

{Guitar Solo}

{Bridge}

We are, we are

We are, we are, we are, we are

We are

{Verse 3}

We are what was, and shall rule again

Dead by dawn, chanting death thee ancient hymn

This is not real, I am not the chosen one

Trapped in a spell of the Necronomicon

Tortured pain, in the palace of dead

Recitate, through the passages I dreamt

{Outro}

Dead

Dead by dawn

Dead

Dead by dawn
Again
