

# **Citizens - Like I'm Meant To**

**Intro - 8 bars**

**Verse 1 - 16 bars**

**I admit I barely have a clue**

**You're seeing things in me I thought weren't true**

**Pre-Chorus 1 - 16 bars**

**And it's almost frightening**

**To be this known**

**Still there's no denying**

**I'd be lost, unknown**

**Chorus 1 - 18 bars**

**Some might call me a fool**

**But I'm so attached**

**To something I can't hardly even grasp**

**More than the science and all the facts**

**I just feel You**

**Like I'm meant to**

**Interlude - 4 bars**

**(Ah-ah-ah-ah**

**Ah-ah-ah-ah)**

**Interlude - 4 bars**

**(Oh)**

**Verse 2 - 16 bars**

**You're not something I can just ignore**

**Everywhere I turn, I see you morÐµ**

**Pre-Chorus 2 - 16 bars**

And it's so exciting  
To be this close  
How could I deny it  
What I've always known  
Yeah

**Chorus 2 - 18 bars**

So call me a fool  
But I'm so attached  
To something I can't hardly even grasp  
But more than the science and all the facts  
I just feel You  
Like I'm meant to

**Interlude - 4 bars**

(Ah-ah-ah-ah  
Ah-ah-ah-ah)

**Interlude - 16 bars**

(Oh)  
(Yeah  
It's kind of like heaven  
Come right through these doors  
And stay)

**Bridge - 16 bars**

Slowing embody  
Living as proof  
Never mind their problem  
It's a happy truth  
I've got a real connection  
Not an IOU  
Give me something I could never lose

**Chorus 3 - 18 bars**

**Some might say it's cool**

**But it isn't that**

**It's just something you can't really explain most of the time**

**And more than the science and all the facts**

**I just feel You**

**Like I'm meant to**

**Tag - 8 bars**

**I just feel You**

**Like I'm meant to**

**Interlude - 4 bars**

**(Ah-ah-ah-ah**

**Ah-ah-ah-ah)**

**Outro**

**(Oh)**
