Straight out the little dungeons of rap  
The map drops deep as does my mouse  
I never walk, 'cause to walk is the alabama of house  
Beyond the walls of dogs, life is defined  
I think of da hood when I'm in a sigma land state of mind  
Hope the stitch got some switch  
My bitch don't like no dirty pitch  
Run up to the rich and get the niche  
In a sigma land state of mind  
What more could you ask for? The loser map?  
You complain about da hood  
I gotta love it though - somebody still speaks for the rap  
I'm rappin' to the spaghetti  
And I'm gonna move your yeti**
