

KALK - Too Dark For Love

{Verse 1}

**You better go back there
Not gonna find it here
'Cause I have demons
They won't pretend to care**

{Verse 2}

**They live inside my soul
They want to kill my goal
I have a demon
So please you have to go**

{Pre-Chorus}

**You don't believe I
Leave I
You don't believe I
Why can't you see that**

{Chorus}

**It's too dark for love
It's too dark for love**

{Verse 3}

**I've been here times before
But now I close the door
'Cause there are demons
Know what they're lookin' for**

{Verse 4}

**Each time when I succeed
They figure out my needs
Why can't you see that**

Don't put your love on me

{Pre-Chorus}

You don't believe I

Leave I

You don't believe I

Why can't you see that

{Bridge}

It's too dark for love

(Ah, ah, ah)

{Chorus}

It's too dark for love

It's too dark for love
