

# **Torkage - The Raven and the Wolf Pup**

**{Instrumental Intro}**

**{Verse}**

**Mother raven spreads her wings**

**Shielding the wolf pup within**

**The pack has long since fled**

**And frost now bites the skin**

**As she rides the winter breeze**

**She sees both forest and trees**

**And eternally through plains of sorrow**

**Her lonesome wolf, she will lead**
