

## **CONFOUND! & Robert Black - Kelly Creek**

**One two**

**One two**

**One two**

**One two**

**I like the world**

**She likes how i see**

**Raindrops don't fall**

**But when will she call?**

**She likes my wings**

**She waits there for me**

**She grows cherry trees**

**Dirt and the seeds**

**And 1, 2 and 3**

**What does she see?**

**She loves to kick rocks**

**She just won't stop**

**Oh no stop**

**She just won't stop**

**Oh no stop**

**She just won't**

**One two**

**One two**

**One two**

**One two**

**40 minutes**

**Down the road**

**To see you**

**You're beautiful**

**You know me**

**I see you**

**What you need**

**What i know**

**Everytime**

**You come around**

**You make me**

**Comfortable**

**A blanket**

**A piece of wool**

**A fresh cloth**

**Don't you know?**

**Don't you know?**

**Don't you?**

**Share your house**

**I write my songs**

**Grass green**

**Everything**

**Everything**

**Anything**

**Everything**

**Anything**
