

YNKEUMALICE - Apple car

Intro

Had a dream of an Apple car

Had everything from an App Store

Feeling like I can facetime in the car

Saying hey Siri then no more texting and driving

No more crashes feel like I say a vision from

Steve Jobs

Rich dreams

Living lavash

Fancy things

Dream life everyone wants

Flashing lights

Paparazzi

Walking on a red carpet

This Hollywood

And I can't even act right

This the life
