

## **YNKEUMALICE - LAKEFRONT DOWNTOWN**

**Say I love you need more  
Then I ever wanted you  
You making me love you more  
Love you more  
Love you more  
Feeling like life's a trip  
With you**

**Find out about something  
About you more more steps we go  
Feeling like your my world  
Feeling like your meant for me  
Feeling like it's love forever  
When we love it's good love  
Love the love you give me  
Saying you don't know what you do  
To me loving on me**

**Say I love you need more  
Then I ever wanted you  
You making me love you more  
Love you more  
Love you more  
Feeling like life's a trip  
With you  
Hugs and kisses  
Forever yours  
Your forever mine  
Love hard to find  
Like this  
Keep you close**

**To me**

**Drives me insane when you not around**

**Saying I need you right now**
