

YNKEUMALICE - MOLL

Moll doll

She pretty

She a gangster girl

She swag doll

She nothing you seen before

I love it when you

Come around love blooms

Feelin young bloom

Smells like teen spirit

Feel like respect the vibes

Feel like put some respect on it

Moll doll

She pretty

She a gangster girl

She swag doll

She nothing you seen before

Love to good

Loving it

She wild girl

She moll girl

She wants to go mall
