

YNKEUMALICE - Estée Lauder

Love your smell

Love the way you talk

Love the way you loving me

Feeling like your the one

For me

Loving you so good

Loving you so good

Make me fall in love over

Love the way you walk

Love the way talk

Love the vibe

Love to be yours

Love the way you love

Love everything about you

Say you sweet for me

Say you one of a kind for me

Love so good

You got me falling deep

Love your smell

Love the way you talk

Love the way you loving me

Feeling like your the one

For me

Loving you so good

Loving you so good

Make me fall in love over

Love you

Love you

Feel like it's us

Feel like it's me and you

Forever in love

Love you

Love you
