

## **Wilson Good - Secrets!**

**{Verse 1}**

**Meet me in the hallway  
I wanna do something dirty  
Everyone is so boring  
And my attitude is too much for them anyway**

**Distract me from the madness  
Maybe then I'll save your number in my phone  
And maybe when I'm completely over it  
I'll get over myself and show up at your door**

**{Chorus}**

**Can you keep me secrets?  
'Cause I'm dying to let somebody inside  
Can I show you my weaknesses?  
'Cause I'm dying to trust somebody tonight  
Can you keep my secrets?**

**Can you keep my secrets?**

**{Verse 2}**

**I'm so obsessive  
Like can i gĐµt a grip for once?  
I'm steady falling off the deep Đµnd  
I wish I could be alone  
I'm a certified mess  
Even all dressed up  
I'm obsessive and possessive  
I don't know what i want  
  
I've got a long list of things that have yet to be done**

**And finding someone who's good for me  
Isn't number one**

**{Pre Chorus}**

**Can you keep me secrets?  
'Cause I'm dying to trust somebody tonight  
I don't mean to get serious  
It's just that I'm barely holding on for dear life**

**{Chorus}**

**Can you keep me secrets?  
'Cause I'm dying to let somebody inside  
Can I show you my weaknesses?  
'Cause I'm dying to trust somebody tonight  
Can you keep my secrets?  
Can you keep my secrets?**

**Can you keep my secrets?  
Can you keep my secrets?  
Can you keep my secrets?  
Can you keep my secrets?**
