Niggas looking at me like a cheat sheet (Hey)

Walk around with six, okay, shawty tryna meet me

Smokin' on this gas and it smell like cat pee, pee

I-I am not blue like Mr. Meeseeks (Hey)

Mix the Wock with the Trix and it got me feeling sleepy

Shawty, she a teen, and you know that nigga creepy

Boy, leave that bitch alone, she a teen

Yeah, you not with my club, nigga, why you intervene?

Back in 2021, niggas had a vaccine

Bring back 2018

Checkerboard vans, my niggas rockin' Supreme

Yeah, I got my checkerboards vans on (Hey)

Yeah, I got my checkerboards vans on

Yeah, I got my checkerboards vans on (Hey)

Yeah, I got my checkerboards vans on
