

Huntaps - Smokers Paradise

{intro}

Woah, oh my god

Woah, oh my god (i'm slime)

Turn that shit up (i'm slime)

Woah (whoiswonderyo?)

{pre-chorus}

I light the room up everytime i step in

I got my groove up that's just why i'm steppin'

I brought the brooms out, i said, "yeah, we gotta win"

And i had to do it in four cause i cannot do it in more

{chorus}

I light the room up everytime i step in (i light the room up)

I light the room up everytime i step in (i light the room up)

I light the room up everytime i step in (i light the room up)

I light the room up everytime i step in

{post-chorus}

Yeah, we pulling up deep like stephen (stDµph!)

Shooter on my hip, an f&n (f&n)

I think i'm really like your biggDµst fan (slime)

Saying that to me while she on her hands

{refrain}

I'm getting fried it's a smokers paradise

The paradigm, i'ma shift the paradigm

A pair of dimes, i'ma need a pair of dimes (woah)

{bridge}

Kush blowing everyday

Kush blowing everyday

And i don't think i ever wanna leave this place
I'm higher than the clouds, i'm up in outer space

{pre-chorus}

I light the room up everytime i step in (step, step)
I got my groove up that's just why i'm steppin' (step, step, step)
I brought the brooms out, i said, "yeah, we gotta win"
And i had to do it in four cause i cannot do it in more

{chorus}

I light the room up everytime i step in (i light the room up)
I light the room up everytime i step in (i step!)
I light the room up everytime i step in (i light the room up)
I light the room up everytime i step in (everytime)

{post-chorus}

Yeah, we pulling up deep like stephen (steph!)
Shooter on my hip, an f&n (f&n)
I think i'm really like your biggest fan (slime)
Saying that to me while she on her hands (on her hands for your boy, yeah)

{refrain}

I'm getting fried it's a smokers paradise
I'm so high it's a smokers paradise
I wanna die in the smokers paradise
