

DJ Narcan - Our Steve Urkel Bonus

{trizzy:}

**I just helped a bitch out with her trig homework like Steve Urkel
Then I got rejected like Steven Urkel
I commit identity theft like Stephan Urkelle
Threw the feds off cuz my pants like Steve Urkel's
Still got arrested, oof that's a hurdle
I ain't talking not even for a Sausage McGriddle!
Tho I need calories, I'm Marty McFly
Except I'm so small, call me Marty McLittle
Went back to the future after my sentence
5 years later told that chick see ya later
I didn't even give her the "later alligator"
She on me like a light saber from Darth Vader**

{evil spange:}

**Blew up my neighbor's house just like Steve Urkel
Downstairs neighbor calling me a Steve Jerkle
I seen a blood and a crip at the same time, now I'm seeing purple
Bout to evade a court appearance by jumping thru a worm hole!!!
They ask why I'm so weird, but I ain't normal!
Dear Diary I just read all my neighbor's journals!
Boy I HATE my neighbors bro he slow like turtle!
Bruh, I just ordered me a quarter pound burgle
Bitches at the crib playing word games like Boggle
How I can't make no more good music man, I'm so awful
Scammed the 4chan website with my neighbor's photograph
Got him sent to jail like "did i do that?"**
