I could be the one, or your porn addiction

It's all in my head but I want non-fiction

Baby, do you like this top?

I bought it so you'd rip it off

It's like a hundred sixty-nine degrees

When you're sucking my pussy, sucking my pussy

{Pre-Chorus}

Ate yo' coochie, gulp, gulp, gulp

Smack and clap and touch your toes

Run this shit like cardio

Gulp, gulp, gulp, gulp is the words I spoke

Ate yo' coochie, gulp, gulp, gulp

Smack and clap and touch your toes

Run this shit like cardio

Ate yo' coochie, gulp, gulp, gulp

{Chorus}

Ate yo' coochie, gulp, gulp, gulp

Come and eat my pussy hole

Ate yo' coochie, gulp, gulp, gulp

Come and eat my pussy hole
