

## **William Caesar - Death**

**{Verse 1}**

**When, where & why**

**The questions of my life**

**Wondering my time**

**The questions turn to cries**

**As I sit on the porch**

**Waiting for a package**

**My mother is no more**

**Suicide gifted in rations**

**{Chorus}**

**Death is real**

**Trust me, I would know**

**Any second, could be waiting**

**At your front door**

**I saw it with my own eyes**

**And I know that I'm next**

**But mine won't be televised**

**No one will know me when I'm dead**

**{Verse 2}**

**She left me with a note**

**Blood used to write the stone**

**Words that feel so cold**

**Mothers final hope**

**The pills lay on the floor**

**Right next to the corpse**

**She beat me to the punch**

**I should've been the one**

**{Chorus}**

**Death is real**

**Trust me, I would know**

**Any second, could be waiting**

**At your front door**

**I saw it with my own eyes**

**And I know that I'm next**

**But mine won't be televised**

**No one will know me when I'm dead**

**{Verse 3}**

**Now is not the time**

**To sit here & cry**

**Ashes on the pine**

**I'm mimicking your mind**

**I know what I'm doing's right**

**I can almost taste it with a bite**

**I'm ready to fly**

**Follow in the footsteps of my guide**

**{Outro}**

**My mom committed suicide**

**And now, it's my time**
