

YNKEUMALICE - BABY POWDER

Feeling like snow days

Style winter fresh gum

Feeling like numbing myself

Feeling like a cat day

Feeling like it's dawgs life

Feeling like young bloom

Feeling like I'm high again

What's my age again

Hate getting older

Feeling like the world getting colder

I just get wiser thinking to myself

I been in my head feel like good game

Feeling like snow days

Style winter fresh gum

Feeling like numbing myself

Feeling like a cat day

Feeling like it's dawgs life

Feeling mellow

Feeling down

Sometimes

But I got realize the positive things in life

Know lifĐµ gets me down oh I know

Know what I know but do

You know what I know thinking the worlds

SafĐµ it's cruel world just another day

Feeling like this my life
