

YNKEUMALICE - STAINS

Life a carpet with stains

Feeling like I'm bored of this old house

Feeling like I can't get out feel like

I want to get away feeling like

I been in a rut feeling like I'm going nuts

Feeling like a walk on the beach

Sand in my toes

Life's a carpet with stains

Feeling like I'm outta place

Don't fit in don't belong

Feeling like my music shakes

Feeling like my music slaps

Getting wild turnt

Feeling like it's my choice to be who I am

Going to be me now matter what

I will always be me

Life a carpet with stains

Feeling like I'm bored of this old house

Feeling like I can't get out feel like

I want to get away feeling like

I been in a rut feeling like I'm going nuts

Feeling like a walk on the beach

Sand in my toes

Life's a carpet with stains

Feeling like I'm outta place

Don't fit in don't belong
