

# Colourblind - Midnight

{Verse 1}

Midnight, I tried  
Anyway, I don't care  
I'll climb, bells chime  
Either way lost to shame  
This life slips by  
Unaware of the day

{Chorus}

I've gotta work it out  
I've gotta find a way  
It's gotta find a way  
Out of here  
Out of me

{Verse 2}

Midnight, I'm tired  
I don't care, I don't care  
In time hands try  
To a fault, to form a rope

{Chorus}

I've gotta work it out  
I've gotta find a way  
It's gotta find a way  
Out of here  
Out of me

{Instrumental Bridge}

{Chorus}

I've gotta work it out

**I've gotta find a way**

**Out of here**

**Out of me**
