

YNKEUMALICE - Whatâ€™s crackin

Walk In this bitch like egg shells

Bought my bae a new smell

Bought my bae new shit

Roll up smoke sum

Get turnt

High key I love to smoke to get numb to feel sum

Low key feel like a I'm drug junkie

Saying I go bad moonwalk

Saying that I finna smoke that moon rock

Times on the clock and time be ticking

Living my life like it's the end of the world

Feeling like I died many times

Mentally in the mind

Feel like my soul died

Don't wait at the funeral gates

I be living life likes heaven

Meet me by the heaves gates

Walk In this bitch like egg shells

Bought my bae a new smell

Bought my bae new shit

Roll up smoke sum

Get turnt

High key I love to smoke to get numb to feel sum

Low key feel like a I'm drug junkie

Saying I go bad moonwalk

Saying that I finna smoke that moon rock
