

Colourblind - Soak

{Instrumental Intro}

{Verse 1}

Wring my neck if I'm breathing

Modestly so conceited

Time flies through the air

Who are you again?

Take my head, I don't need it

Hold my tongue before I eat it

Reflections breathe contempt

Your eyes lay me bare

{Chorus}

And I'll soak up everything

Even just the little words that spill

How stupid of me to think

That we could have been anything

And I'll soak up everything

Even just the way you look at me

{Post-Chorus}

And I, I am on my own

But I, can't be alone

{Verse 2}

Chew my thoughts and repeat it

Talk until I believe them

Take it to the edge

Caught up in your web

So take my mind I don't need it

Bite my tongue 'til it's bleeding

Reflections breathe your air

Your pain's mine again

{Chorus}

And I'll soak up everything

Even just the little words that spill

How stupid of me to think

That we could have been anything

And I'll soak up everything

Even just the way you look at me

{Post-Chorus}

And I, I am on my own

But I, can't be alone

And I, I am on my own

But I, can't be alone

{Outro}

Said, "oh shut up, please stop me from opening

"This mouth of mine, 'cause I don't know a thing"

Start to put up a wall, stop opening

Oh, myself up to anyone or anything

I said, "oh shut up please stop me from opening

Oh, this mouth of mine cause I don't know a thing"
