

## **Colourblind - Semaphore**

**{Verse 1}**

**All matched up, hair's dyed blonde  
Pretending to know the waves  
Before the cars, semaphore  
Pick me up let's go down to his place  
Placing bets on ourselves  
While we still thought we were brave  
Now chased by storms, the same old storms  
Self correct to the centre again**

**{Hook}**

**Like oh, oh woah**

**{Verse 2}**

**I remember it  
We lost our way  
Found the inhibition as kids  
The cool wind changed and glued your face  
To the palm of your broken hand  
Nostalgia swayed the golden days  
Forget the throws and the coming of age  
Somethings wrong  
Eyes went broad and you withdrew to your brain**

**{Hook}**

**Like oh**

**Oh, woah-oh**

**Oh, oh**

**Oh, woah-oh**

**{Bridge}**

And I hope that you're  
Not on your own  
I said I hope that you're  
Not on your own

{Break}

I remember it  
When you went green  
And everything went to shit  
Sirens sound at my front door  
Strapped you in yeah they took you away

I remember it  
When you went green  
And everything went to shit  
Sirens sound at my front door  
Dad couldn't stop shaking his head

I remember it  
When you went green  
And everything went to shit  
I remember when you went green  
How could I forget

{Hook}

Oh, oh  
Help  
Oh, woah-oh  
Flag for  
Oh, oh  
Oh, woah-oh  
Help

{Outro}

Oh, oh  
Use your arms 'cause I can't hear your voice

**Oh, woah-oh**

**When I'm stuck on the shore**

**Oh, oh**

**Use your arms, I swear I've missed**

**Oh, woah-oh**

**Your cry, your voice, semaphore**
