

# YUNGBLUD - I Need Ya

{Intro}

Only you can tell me to

I need ya

I want to reside

I need ya

{Verse 1}

Are you good at hiding some wholesome truth?

I fucking want it now

Are you living?

I am a bitch

{Pre-Chorus}

Bean

On your face

{Chorus}

Only you can tell me to

I need ya

I want to reside

I need ya

{Verse 2}

Blah!

I can't be living

Bleh!

I can't be staying!

I'm a bitch
