

FalcoSoFly - ILL STILL

{Verse: FalcoSoFly}

They claim they got bodies for real

But they ain't kill shit

They say they been on drills before

Vut never drilled shit

You don't know what it's like to touch your first mil

You don't know what it's like to drop that mil on cheap thrills

You ain't ever have your money stack all the way to the ceiling tho

You ain't ever tied the bag when they ended up tryna steal it tho

You ain't ever walked a mile in my shoes

You ain't ever had the feeling that the topic was taboo

You ain't ever felt like the shit you were writing was too complex

You ain't ever buy the store out wit yo first check

You ain't ever whip up 30 birdies in a coupe

You ain't ever have a bitch slurp you up like soup

You ain't ever hit the ATM and deposit that 20 dollars

You ain't ever put yo chain on a collar

You ain't ever hop on the internet and teach niggas yo methods

You ain't ever drank cough syrup for breakfast

I don't sit around and let it become still money

I can turn a few bands into thrill money

Had to show em it was real and turned it into Brazilian money

Shit like what were you thinking?

Trip to Rio de Janeiro?

Finna send the mafia out on em,Robert De Niro

Thinking you got today's price

But the money's a year old

I'll tell you how many truths you told

Goose egg,zero

Bitches on yo line? Zero

Niggas that you killed? Zero

They can't handle the truth when I preach it like Ben Shapiro

Go against the oppositions and you're fucked

Just like a dildo

I'm ill still

I'm on pills

This finna give niggas chills

Like the thermostat being set to a low temperature

Cause I'm cold still

And I'm ill still

Remember when I wanted to be just like Will

But fame got to him and now it's fuck Will

I'm tryna solve the peace

I'm moving just like Clinton,Bill
