

Lil Fizz - Fluid

{intro: lil fizz}

I be the f to the i to the d-double, double z-z-z-z-z-z

It's the f to the i to the d-double, double z-z-z-z-z-z, yeah

{verse 1: lil fizz}

You can find me in the club with my hat to the back

Crackin' a mag or probably wrappin a â€zag

Lookin at shorty with the fatty meaning that chick is bad

She kinda fire, and i'm tryna see what's happening with that

She's hot as the sun, she lean, rock to the drums

Jimmy choo's on her shoes, her jeans, house of dereon

If we hop in the torque breeze out and enjoy it

She can't acknowledge ya, yall 'cause you ain't hot as the boy they call fizzy

The one that pour crissy

The boy to call, sitting at the bar all tipsy

I got a frost pinky and it probably cost 50

I don't wait for tonight i'm in the club raw dizzy

Now pimpin', i keep it basic

Cute small waist and you seen your daughter lately

I got her going crazy

She call me her baby and i ain't even blaze yet, amazing

And out the b2k shit, guess who her favorite

{chorus: missez}

When i'm off in the club i be sip, sippin on some

Sip, sip, sippin on some, on some do it to 'em fluid

If he wanna touch my butt, i'm, i'ma let him

I'm, i'm, i'm i'ma let him, i'm, i'm, i'm, i'm i'ma let him do it

When i'm off in the club i be sip, sippin on some

Sip, sip, sippin on some, on some do it to 'em fluid

If he wanna touch my butt, i'm, i'ma let him

I'm, i'm, i'm i'ma let him, i'm, i'm, i'm, i'm i'ma let him do it
{verse 2: lil fizz}

See now i'm lookin for a pyt to come and see â€™bout me

I do it b-i-g, and i don't need id

Now we dancin', shorty workin tryna see how i be

I'm a very important person, so i'm vip

Now i tried and couldn't wait 'cause mami like to shake

Her thighs and little waist

And move her body like a snake

She fine and fly shape, her turn ya mind blank

Ma straight, top 8, check her out on myspace

Now, her man hatin, i bet he would

'cause i'm in every hood, hittin all the megan goode's

Right, and even better i be in atlanta

Green phantom, eatin dinner with ciara (woah)

And i'm a club vision, you know i love women

I had the broads trippin, cardi had 'em fluid sippin'

And we had fun til daylight come

Before we leave, make sure the dj play that song, it goes..

{chorus: missez}

When i'm off in the club i be sip, sippin on some

Sip, sip, sippin on some, on some do it to 'em fluid

If he wanna touch my butt, i'm, i'ma let him

I'm, i'm, i'm i'ma let him, i'm, i'm, i'm, i'm i'ma let him do it

When i'm off in the club i be sip, sippin on some

Sip, sip, sippin on some, on some do it to 'em fluid

If he wanna touch my butt, i'm, i'ma let him

I'm, i'm, i'm i'ma let him, i'm, i'm, i'm, i'm i'ma let him do it
